**RE: Divinity DJs Referral**

It is a pleasure to write a letter of recommendation for the Divinity DJs.

XOXO Entertainment has worked with the Divinity DJs to help with music production for their artists plus we have used their DJ's for company and personal events. I find Divinity DJs to be very professional, reliable and eager to please. They have the technical expertise to produce high quality music mixes and radio ID's. They have charismatic and well-spoken personalities to entertain.

We highly recommend them and believe they will bring added value to your current on-air programming. If you would like more information please call me at 604 356 1082

Sincerely,

**Adam H. Hurstfield**
